Midnight Monster Movies

In 1897, the 'Blue' room auditorium became the location of the first film ever shown in the city! In keeping with that tradition, we give you...**Midnight Monster Movies!** This film series showcases the good, the bad, and the truly awful Sci-fi, Fantasy, and Horror films, from the dawn of film to the end of the previous decade. For many, this film series is more than a cheap night out. It's a chance to reminisce while enjoying a favorite movie in a historic venue. The Midnight Monster Movies series runs for 9 months, January through September, and then ends the season with a showing of Rocky Horror Picture Show in October.
